### FRANCES PARKINSON KEYES

The beloved author who took the whole  
country to **Dinner at Antoine's**  
now recalls the enchantment of her youth

### ROSES IN DECEMBER

The first part of Mrs. Keyes' long-awaited  
autobiography, in which she looks back  
on her Vermont upbringing, her educa-  
tion in Boston, her travels in Europe,  
and her engagement and marriage—de-  
spite family opposition—to the man she  
loved. Filled with anecdotes, unusual  
personalities, and nostalgic detail, *Roses  
in December* is a charming memoir of  
life in New England and Europe at the  
turn of the century. Illustrated with 32  
pages of photographs.
